Where Will You Stand?

It is exciting to know that God has made a place for you. It is a place no other person can occupy. When Satan comes against you, rest assured and know that God will never leave you! God will make a way for you even when there seems to be no way and you will come out the other side as a winner!

The Final Passover

This interesting message covers the birth, death and resurrection of the Lord. It also includes some not so well-known and misunderstood facts surrounding the life and also the death of our Savior. You will be encouraged!

What Are You Doing Here?

A probing and enlightening look at the Prophet Elijah. See him boldly stand against his own King as well as the Prophets of Baal and the entire nation of Israel. Thrill to his amazing victory! A Disciple or One of the Multitude

Are You Mature?

We all want God to deal with us the same way He did when we first got Born Again. Why doesn't He? You will understand how God deals with us differently as we mature. Identify where you are in your walk with Christ

Driving Out the Inhabitants of the Land

How often do things in your life - sickness, thoughts, or other areas - come between you and God? Do attacks seem to take over your life? See how one man in the Bible handled this. It is a real principle for how we handle the things that come into our lives to steal, kill and destroy.

Sex and Marriage

A look at God's view of sex. He created it and likes you to have a healthy relationship in marriage. Enrich your marriage, sexually and otherwise.
